Fig 1.2: home page

❖ Event

#create New Event

The screenshot shows the Robi Sourcing Manager interface. At the top, there is a navigation bar with 'Event', 'Response Items', and 'Setup' tabs. The 'Event' tab is active. Below the navigation bar, the title 'Sourcing Manager' is displayed. A dark header bar contains several buttons: 'Create Event' (highlighted with a green box), 'Create Template', 'Export to', and 'View'. To the right of these buttons is a dropdown menu showing 'Robi Sourcing Project List' and a search input field. Below the header bar, there are tabs for 'Opportunities', 'Event Types', 'Savings', and 'Top Commodities Savings'. The 'Opportunities' tab is selected, and the main content area displays 'Opportunities content'. On the left side, there is an 'Alerts' section with a list of events, each showing a date (10/02/24), an ID (#41083), and a name ('Test Event esourche').

#create New Event RFQ

The screenshot shows the 'Create Event' modal dialog in the Robi Sourcing Manager. The dialog has a title bar with 'Create Event' and a close button. Below the title bar, there is a 'Select Commodity' section with a text input field and a note: 'Commodity selection will filter templates and events'. There are three main sections for creating an event: 'Create New Event', 'Create from Template', and another 'Create from Template' section. The 'Create New Event' section has a list of commodity types: 'RFI', 'RFQ' (highlighted with a green box), 'RFP', and 'English Reverse Auction'. The 'Create from Template' sections each have a search input field and a list of event templates. The first 'Create from Template' section has a search field 'Search by Template ID or Name' and a list of templates: '#41078 - Test Event esourche', '#41077 - Test1', '#41076 - Test2', '#41075 - Test', '#41077 - Test1', and '#41076 - Test2'. The second 'Create from Template' section has a search field 'Search by Event ID or Name' and a list of event IDs: '#41078 - Test Event esourche', '#41077 - Test1', '#41076 - Test2', '#41075 - Test', '#41077 - Test1', and '#41076 - Test2'. A 'Cancel' button is located at the bottom right of the dialog.

#Click Details

The screenshot shows a navigation bar with tabs: Settings, Timeline, Details (highlighted with a green border), Suppliers, Evaluations, and Responses. Below the navigation bar, there are four rows, each representing a section. Each row consists of a blue button with a pencil icon and the section name (General Section, Technical Section, Commercial Section, and Form Section) and a light gray expandable bar below it with a blue hamburger menu icon and the section name.

#Create General Section

The screenshot shows the same navigation bar as the previous image, with the 'Details' tab highlighted. In this view, the 'General Section' button is highlighted with a green border. The expandable bars below each button are visible, showing the section name and a hamburger menu icon.
